Extra Credits Snapshot - Different Question on Startup

The screenshot shows a mobile application interface with a purple header bar. The header contains the time '1:28', a shield icon, a circular icon, and status icons for Wi-Fi, signal, and battery. Below the header, the question text reads: 'To collapse / expand items use the Code -> Folding menu in AS.' There are two radio button options: 'True' (selected) and 'False'. Below the options is a purple button labeled 'Display Results'. At the bottom left, there is a button with a right-pointing arrow and the word 'NEXT'. The bottom of the screen features a black navigation bar with standard Android icons: a back arrow, a home circle, and a recent apps square.
